Dear Parent/Guardian/Carer

TBOWA Youth Club

The Bishop of Winchester Academy runs a weekly youth club in Monday evenings, **6:00pm-8:00pm**, during term time. Activities on offer are: an opportunity to cook, play table tennis and snooker, craft and/or play rounders and football. At 7:30pm all the students meet together in the nave to enjoy refreshments eating whatever has been cooked that evening. We then finish with a fifteen minute 'God-slot', which is an interactive, fun and relevant Bible discussion and/or life question.

Last year we invited Year 6 students who would be joining the Academy in September. This proved very useful for the students who were able to meet myself and one or two other members of staff. They also had the opportunity to make new friends from other primary schools and accustom themselves to the building.

We would like to invite your son/daughter to join us for the final three Mondays of term beginning on 2nd July. The cost will be £1 per week. On Monday 16th July (6-8pm) the invitation to Youth Club is extended to parents and siblings for an evening of games, bouncy castle, barbecue and ice-cream. We would be delighted if you could join us.

There are limited places available. If your son/daughter would like to attend please fill out the registration form and return it to me as soon as possible.

We look forward to receiving your form and will be in touch to confirm your place.

Yours faithfully

Rev Jenny Nightingale
Academy Chaplain
