Dear Parents/Guardians/Carer

I am writing to you to update you with details The Bishop of Winchester Academy Enrichment Curriculum for 2016-17.

Enrichment is a key part of our Academy sponsor's vision. Our Enrichment Programme encourages our pupils to develop their understanding, personal and social skills, and develop our TBOWA Learning Applications.

All our curriculum areas offer the possibility for pupils to engage in further academic study if they wish. In some cases pupils may be invited to join subject specialist interventions which are designed to maximise their academic development.

There are also opportunities for students to embrace our distinctly Christian ethos, as well as others for representing TBOWA at sporting fixtures and events.

Enrichment takes place between every Monday to Thursday, 3.00 - 4.10pm and every Friday, 2.00 – 3.10pm. Please be aware that Enrichment will be cancelled during Staff Inset Twilight sessions and these are held on a number of occasions throughout the year on a Tuesday.

The full Enrichment timetable is available on the Academy website and I have attached an outline of the Enrichment Curriculum to this letter.

Please encourage your child to take advantage of all the opportunities available.

If you have any questions concerning the Enrichment Curriculum please do not hesitate in contacting me.

Yours faithfully

Mr Palmer
Senior Deputy Vice Principal
