

Letter of Interest

At The Bishop of Winchester Academy, we have five houses that all students are placed into. These houses are Austen, Brunel, Da Vinci, Nightingale and Wilberforce - all famous Christians from the past. We are proud of our embedded house system, which represents the ethos, sense of family and community within the Academy.

We would like you to complete some initial research into each individual person that represents our house system and choose **one** house that you would like to focus on.

As part of a creative writing task, we would like you to use your research and produce a letter of interest to one of the above houses. We would like your letter to talk about a topic of your choice and include some questions that you would like to ask. Be creative with your letter!

The five people that represent our houses are:

Isambard Kingdom Brunel

Leonardo da Vinci

Florence Nightingale

Jane Austen

William Wilberforce

What to consider when writing a letter:

- How to layout a letter (Beginning/ Ending)
- Spelling and sentence structure
- Explain why you are writing
- Is your letter formal or informal?

Once you have completed your letter, if you wish to do so, please email your completed letter to year6transition@tbowa.org
