

## Primary and Secondary Teacher Training places available for September 2017

### OPEN MORNING AT ONE OF OUR OUTSTANDING ACADEMIES - QUEEN'S PARK ACADEMY

Wednesday 1st March 2017 between 9.15 a.m. and 10.30 a.m.

Come and find out more — speak to some of our trainees and SD facilitators to learn about the bespoke packages on offer through Ambitions Teaching School.

At the heart of **Ambitions Teaching School Alliance's** work is the moral purpose and commitment to improving the learning and achievement of all the young people.

The **School Direct (SD)** programme is a one-year programme for people who have a degree and want to train to become teachers. At Ambitions Teaching School, we offer SD places in Bournemouth and Poole and successful completion will lead to qualified teacher status (QTS).

Our Alliance is unique as it incorporates children from 3—18, in both mainstream and special contexts, giving trainees placement opportunities that are not available in all Initial Teacher Training (ITT) provisions.

Trainee teachers at **Ambitions** will have access to invaluable school and classroom experience that will equip them with the knowledge, skills and experience that they will need to become an outstanding teacher.

The majority of the year is school based with a bespoke programme of essential training delivered by both Ambitions and the University of Winchester (Primary and Secondary route) or Exeter (Secondary route only)
