sQuid – Cashless Catering &
Online Payment System

The Academy's preferred method of payment is online via squidcard.com. All parents/carers are provided with sQuid registration details when their child starts at the Academy. Payment is quick and easy to set up.

Paying online means avoiding having to send in cheques, or you or your child bringing cash into school. sQuid is a secure online payment system that can be used to pay for school trips, top up lunch cards and any other expenses that may be incurred. Students need to have their lunch cards in school with them at all times in order to purchase food in The Hungry Bishop.

Help guides and videos can be found online at squidcard.com/support/parents

Or if you need assistance or have misplaced the sQuid registration details please send an email to the finance team finance@tbowa.org who will be happy to help.
