

Dear parents, carers and students,

I wanted to drop you an email at the end of the week to say **well done** to the year group for their attitude towards their online learning this week. It has been great to virtually pop into lessons and see students working and engaging with their teachers. Thank you for your support at home in ensuring that students are prepared and ready for their learning during this time. Just a couple of notices/reminders from me:

Attendance

If your son/daughter is ill and unable to login to their lessons, please can you email me in the morning so that I can let attendance know as normal. This will alert teachers so for their planning and monitoring of student attendance.

It is the expectation that all students attend all timetabled lessons, including mentor time. Mentor time gives the students chance to check in with their mentor in the morning, check all of their IT is working and prepared for the day.

Feedback

I have sent an email to students TBOWA email directly this afternoon with a link to a survey to get their feedback about online learning so far. We will look at these responses and reflect on what areas we can adapt to support the success and impact of learning. Please can you encourage students to complete this form honestly and appropriately.

If you have any problems or questions please let me know,

Have a lovely weekend,

Rachel Pelling
