Welcome Letter

Dear Student,

We are very much looking forward to you joining our 6th Form in September.

This booklet contains information about our 6th Form for you and your parents. Please take the time to read through it carefully and ask your parents to do the same.

Enrolment for 6th Form will take place on **Thursday 21st August**, following the release of GCSE results from **8.30am – 2pm**. If you are new to TBOWA (**external applicant**), enrolment will take place from **10am – 2pm**. Please bring all GCSE statements of results with you.

The link to our **online 6th Form Enrolment Form** for internal and external applicants **unable to attend in person** on the day will be available via our website www.tbowa.org/6th-form. If you are new to TBOWA (**external applicant**), in addition to the Enrolment Form, you must email a copy of your full **GCSE statements of results** to 6thform@tbowa.org.

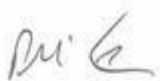

You will be sent an email confirming your place with us after your GCSE results have been checked against entry requirements.

If you decide not to join our 6th Form, please email 6thform@tbowa.org to let us know as soon as possible so we can remove your name from our lists.

Provided that the entry requirements have been met, we shall expect you to arrive at **11.15am** on **Thursday 4th September** where timetables will be issued and student contracts signed. It is important for you to complete the online documents before September and arrive on the first day with the **£40 Enrolment Fee** (students successful in an application for the 16-19 student bursary will be exempt from enrolment fees).

In the meantime, we wish you a good summer and look forward to sharing in your success when your GCSE results are published.

Yours sincerely,

Paul McKeown
Principal

Sarah Moore
Head of 6th Form

Welcome To Our 6th Form

We are very proud of our 6th Form provision and look to continue to build on our current success as an Academy. This information booklet has been produced to clearly set out our student expectations and to explain what help and support we will offer everyone who enrolls here as a 6th Form student.

Students are offered many opportunities whilst studying within the 6th Form, including super-curricular activities, leadership opportunities, trips, university visits and more.

As an Academy, we expect high standards from all of our students. Our 6th Formers are key role models to our younger students, and we expect them to commit to this responsibility. We are confident that with student commitment and our support, expectations can be met, and all students will achieve their full potential.

Our Ethos

At TBOWA 6th Form, our students become fully grounded individuals, developing their talents, and preparing to take their roles as the citizens and leaders of tomorrow. We aim for all students to live out our mission statement *Sapere Aude* - have the courage to be wise. Our ethos ensures that students have the highest expectations of themselves. It is our mission to ensure that all young people do have the courage of their own well-founded convictions to make wise decisions that will allow them to celebrate their talents, fulfil their God-given potential, and live life to the full (John 10:10).

In line with the whole school TBOWA Lapps, we want our students to show:

- Awareness
- Collaboration
- Creativity
- Empathy
- Independence
- Resilience

Action Checklist

Thu 21.08.25

GCSE results and **6th Form Enrolment Day**. Face-to-face enrolment will take place following the release of GCSE results from **8.30am – 2pm**. If you are new to TBOWA (**external applicant**), enrolment will take place from **10am - 2pm**. Please bring all GCSE statements of results. The link to our online **6th Form Enrolment Form** for internal and external applicants **unable to attend** in person will be available via our website www.tbowa.org/6th-form. If you are new to TBOWA (**external applicant**), in addition to the enrolment form you must email a copy of your full **GCSE results** to 6thform@tbowa.org.

You will be sent an email confirming your place with us after your GCSE results have been checked against entry requirements.

Thu 04.09.25

6th Form students must arrive promptly at **11.15am** for Tutor Time (where timetables will be issued and student contracts signed). **Please return the following to TBOWA:**

- **6th Form Enrolment Fee of £40** by cash or a cheque payable to The Bishop of Winchester Academy (with student name on the back) which includes:
 - ❖ ID Badge & Lanyard
 - ❖ Folders, dividers, revision cards, exercise books and paper
 - ❖ Access to Unifrog
 - ❖ Trip to a UCAS Fair
 - ❖ Trip to a Russell Group university - Southampton

- **Online Documents to be completed in advance:**
 - ❖ 6th Form Parent Contract (signed by parent)
 - ❖ 6th Form Photo Consent Form (signed by parent)
 - ❖ 6th Form Locker Reservation Form, if required (signed by parent) (see QR codes on **page 20** for links to forms).

6th Form Locker Hire

The Academy cannot be held responsible for the loss, theft or damage of personal belongings. To aid student in keeping belongings safe, there are a limited number of 6th Form lockers available for rent; these will be allocated on a **first come, first served** basis. Please complete the online form to reserve a locker (see **page 12** for more information).

Term Dates

ACADEMIC YEAR 2025 – 2026

Thursday 04.09.25

Year 12 students must arrive promptly at 11.15am for Tutor Time
(report to 6th Form common room for tutor allocations)

The full Academy calendar and dates for specific events will be available on the TBOWA website: www.tbowa.org

Information about particular 6th Form events is sent home via email.

6th Form Pastoral Staff

Whilst we expect you as 6th Formers to be as independent as possible, there is always help available - from your Tutor, your subject teachers, 6th Form Administrator, Head of Year, and Head of 6th Form.

Don't be afraid to ask, whatever the problem!

Head of 6 th Form	Mrs Sarah Moore
KS5 Head of Year	Mrs Beverley Whalen
6 th Form Administrator	Mrs Ashley Bullivant

2025-26 6th Form School Day Format

- 6th Form students on site by 8.25am every day
- 6th Form students may leave from 1.10pm Monday to Thursday, if no lessons P5 or 6, or at 1pm on Friday
- 6th Form students will gain the privilege to go off site during a non-contact period once ID cards have been issued and only if there are no attendance or punctuality concerns

2025-26 Subject Blocks Year 12

A	B	C	D	E
Art (Triple)	Chemistry	Applied Science	Art (Single/Triple)	Art (Triple)
Business (Single/Double)	Further Mathematics	Computer Science	Biology	Business (Double)
English Language	Geography	English Literature	Sociology	Psychology
Physics	History	Sport (Single/Double)	Sport (Double)	Mathematics
				RPE

What We Expect From Our 6th Form Students

- Accept responsibility for own learning
- Be punctual to and attend ALL lessons and Beyond the Classroom sessions, with the correct equipment
- Ensure cumulative attendance is over 97%
- Set a positive example to the rest of the Academy as a role model
- Dress respectfully for a school/workplace environment, adhering to the 6th Form dress code
- Respect the individual rights of all members of the Academy and behave according to the whole Academy Code of Conduct, including NOT taking drugs, smoking, vaping, drinking alcohol or energy drinks, or chewing gum on, or near, the Academy premises
- Always wear their student ID badge when on Academy site
- Contact the 6th Form Attendance Form before 8am to inform of illness
- Contact the 6th Form office to ask permission to leave site during the school day due to illness
- Contact the 6th Form office to seek permission for an unavoidable absence at least 24 hours in advance
- Treat Academy property and equipment with respect and care
- Only use phone/headphones in 6th Form study and social areas
- Keep the 6th Form areas clean, tidy and litter free
- Do no more than 8 hours per week paid employment during term time

In return we offer you:

- An agreed programme of study that is delivered by dedicated members of staff using appropriate facilities and resources
- A friendly, positive and caring community
- Support in developing good study skills and managing independent time effectively
- Individualised support based on educational needs as appropriate
- Individualised support with next steps, through careers meetings, work experience opportunities, super curricular activities, UCAS support, university visits as well as careers and apprenticeship workshops
- Access to a wide range of facilities to enhance your studies

Attendance

6th Form students are expected to:

1. Swipe in on arrival at the Academy and out again if they leave the premises at any time of the school day.
2. Attend **ALL** timetabled lessons, tutor periods and Beyond the Classroom sessions.

Absences

Students or parents must inform the 6th Form team of any unexpected absences via the 6th Form Attendance Online Form by 8:00am on each day of absence (telephone 01202 512697 or email 6thform@tbowa.org if you have any questions or queries).

Students, parents and carers will all be copied into attendance and punctuality replies and concerns, so all parties are aware.

Failure to inform the 6th Form Office will result in the absence being marked as “unauthorised”, which is not acceptable, and an attendance call home will be made to determine a valid reason for the absence. Persistent absence from the Academy or from lessons will result in an attendance meeting to discuss the student’s suitability for 6th Form.

Absences which are considered to be unacceptable are: holidays, birthdays or similar celebrations, babysitting, waiting for the post, plumber, decorator etc., routine medical and dental appointments, missing a lesson to complete other unfinished work, paid part-time work which does not constitute part of a student’s course, driving lessons, etc.

Appointments should not be made during lesson times except in exceptional circumstances.

Holidays must not be arranged in term time, and these will not be authorised.

Appointments

You must inform the 6th Form Office by telephone (01202 512697), email (6thform@tbowa.org) or letter **prior** to any events such as: Hospital/Orthodontist/Doctors’ appointments (a maximum of half day absence will be authorised), interviews, University Open Days, driving tests, careers appointments, Student Leadership official business etc. **Where possible, these appointments should be made outside of Academy hours.**

Punctuality

If you are late to the Academy, you will be expected to make up the lost time during clinic at 1pm on a Friday. Persistent lateness will result in a meeting to discuss your suitability for 6th Form.

Trips/Visits

In such circumstances that you are going to miss lessons due to a school trip/visit, you **must** see all the teachers of the lessons you will miss in order to get work which **must** be completed independently, by the deadlines set. It is good protocol to politely request an absence, and it **is not acceptable** to assume the right to miss any timetabled lessons. Dress code for all trips and visits must be inline with the 6th Form dress code (see **page 11** for more information). Students not dressed appropriately on the day will not be permitted to attend the trip.

Signing Out

Students must always swipe in and out at the gate on every occasion when leaving or entering the school site. This is imperative for each individual student in terms of safeguarding as well as registration in case of an emergency or fire drill.

Students must **never** leave the Academy feeling unwell without notifying a member of staff in the 6th Form Office or main reception.

Health and Safety Procedures

- Students must swipe in and out at all times to indicate their presence on the premises.
- Students may not smoke or vape in any part of the Academy or its grounds nor in any neighbouring roads.
- Students may not visit any local bars or licensed premises during the school day.
- 6th Form students are not permitted to bring cars, electric scooters, or mopeds onto Academy premises.
- Students' clothes and footwear should be of a style that does not endanger the wearer, other people or property.

Safeguarding

TBOWA has a Safeguarding policy which applies to all staff, governors and volunteers working in the Academy. We aim to establish a safe and secure working environment in which students can learn by raising awareness of child protection issues and equipping students with the skills needed to keep them safe. We have procedures for identifying and reporting cases, or suspected cases, of abuse. The designated senior person for safeguarding is Tanya Faramus, Assistant Head Teacher (DSL). Miss Faramus can be contacted via Tanya.Faramus@tbowa.org, or found in person at the Academy.

6th Form Dress Code

At TBOWA we expect high standards of commitment, attendance and punctuality, and it is important that you set a good example to the rest of the school in the way that you dress. The 6th Form Leadership Team will monitor the clothes worn by our students and if not meeting our dress code will be sent home to change, “high expectations, no excuses”.

We also respect the fact that it is equally important for students to dress comfortably and with a degree of individuality. At TBOWA, it is seen as a privilege not to have a formal uniform, and we expect you to take pride in your appearance as you are in a professional environment. Please remember that you are a role model to other students at all times, showing maturity in the way that you dress.

We expect students at TBOWA 6th Form to:

- Dress appropriately with a smart appearance at all times setting an example to the rest of the Academy, not causing offence or embarrassment to others.
- Jewellery and make up is permitted but worn inline of maintaining a smart appearance. All facial piercings must be discrete and not cause offence to others.
- Avoid causing offence or embarrassment to others with bare midriffs, low necklines, skinny strapped tops, cutaway tops, offensive logos, inappropriate or extreme clothing.
- Maintain a tidy appearance with no extreme hairstyles.
- **Wear student ID badge at all times when on the Academy site.**
- Follow all 6th Form dress code expectations on trips and offsite visits.

The following items are not acceptable:

Caps, hats, bandanas, visible underwear, sports wear, beach wear, short shorts and skirts, playsuits, onesies, visible tattoos, clothing which is torn (accidental or in the design), stiletto heels, flat backless shoes such as flip flops and slip on sandals or crocs.

The 6th Form Team will make the final decision on any student failing to meet the required standards expected.

If students wear incorrect clothing, then the following will apply:

1. Sent home to change
2. Given appropriate clothing to wear
3. Letter home to parents for repeated failure to dress appropriately
4. Meeting with parents for repeated failure to dress appropriately

Security of Electronic Devices

The use of mobile phones, tablets or laptops is permitted in 6th Form areas such as the common room. They may also be used, at the teacher's discretion, during lessons in order to aid learning. If used inappropriately then the student may be asked to put it away. Teaching staff and support staff have the authority to confiscate such items if used irresponsibly. Students are not permitted to wear headphones, or use phones, whilst walking about the school site.

Students are responsible for their own electronic devices and items on the Academy site. It is highly recommended that students hire a 6th Form locker to keep their equipment secure. Unfortunately, the Academy cannot take any responsibility for loss or damage to any electronic items.

6th Form Locker Hire

6th Form lockers are located near the 6th Form Study Area. As there are a limited number of lockers available, these will be allocated on a **first come, first served** basis. The cost of hiring a locker is **£20** to cover the full period in 6th Form. Please note there is an additional charge of £7.50 to replace any keys that are lost or damaged.

Please complete the online form to reserve a locker (see QR code on **page 20** for link).

ICT Expectations

Students must use the Bishop of Winchester Academy ICT systems in a responsible way to ensure there is no risk to their safety or to the safety and security of the ICT systems and users. Access is a privilege and not a right, and inappropriate use will result in the privilege being withdrawn.

Student Printing

All students will require credit to print their work, assignments and coursework, particularly if studying Vocational courses. Printing credit can be purchased via school payment account or with cash in the Finance Office.

6th Form Area

All of our 6th Form facilities are designed to offer our 6th Form students outstanding support for their studies. The study areas and teaching spaces are formal working environments where expectations of behaviour and respect are high. The social areas are less formal and provided for use in social times. However, it is the responsibility of every 6th Form student to maintain standards of all areas and keep them tidy and well-maintained. This includes washing up after themselves in the common room. Academy site staff are not expected to clear up these areas if they are left untidy.

6th Form Study Suite

This area includes teaching spaces and private study areas which therefore requires students to respect the noise level so others can work effectively. No food or drink is allowed in these areas, and all use of equipment must be respectful to maintain standards. The private study areas are quiet working areas so please be mindful of this when working here.

6th Form ICT Suites

The Academy has excellent ICT facilities that are maintained to a high standard. There are 6th Form only ICT suites that can be used by all 6th Form students when not being used for a timetabled lesson. Timetables are posted on classroom doors to show student study availability. Students may borrow 6th Form laptops or long-term loan bursary laptops, as well as bring in their own laptops and devices to aid study. In any instance, all students must follow the ICT policy at all times. Students may **not** log into teacher computers when using free classrooms for study. If they wish to use the classroom interactive board for group study, then they may connect a 6th Form laptop to the screen via the provided HDMI cables.

6th Form Common Room

This area is provided by the Academy for sole use by 6th Form students for additional group study space and social time. This area must be maintained and respected by students in order for it to be fully available to all. Please use the bins provided.

Independent Study

All 6th Form students are required to manage their own independent study throughout the week, although guidance is given to support students with this initially. We recommend that you make the most of your non-contact sessions during the school day by setting up small study group sessions or working in the study suite. Downtime is important and if you organise your time effectively during the school day you will find that your workload is manageable.

Financial Support

16-19 Bursary Fund

This fund has been introduced by the government for students from low-income families. Payments are made direct from the Academy. There are strict criteria for students to qualify for the Bursary payments. Guidelines and Application Forms are available on the 6th Form website. Supporting evidence must be returned to the 6th Form Office as soon as possible after completing the online form. Students must have their own bank account to process any payments made. Eligibility is also linked to maintaining satisfactory attendance and behaviour. Please see **page 19** for more information.

Choosing Courses

Course choice is vitally important, and students should never select subjects without careful consideration as it is very difficult to switch subjects once the term has started. The 6th Form team, tutors and teachers, do their best to give impartial advice but ultimately students must be responsible for checking the suitability of their subject combinations, especially if Higher Education is being considered. Difficulties and disappointments may occur later on if career options are not fully taken into account when courses are selected.

Examination Entries

An assessment timetable will be issued to students in advance of any exams and an examination timetable will be issued for all public exams. We expect students to arrive to all lessons and exams fully equipped and prepared. If you are entitled to any exam access arrangements, then please speak with the 6th Form Administrator who can liaise with the school SENCO to ensure all provisions are correct. It is the responsibility of the students to check all exam dates and entries throughout the year and inform the Exam Officer immediately if there are any errors.

The Academy will pay for exam entries for all students. It is the responsibility of the student to punctually attend all exams and failure to do so will result in the cost of any additional fees being returned to the student. If a student fails to attend an exam or withdraws from a resit after the publicised deadline then again, these costs will be returned to the student.

GCSE Maths/English Re-sits

We are unable to offer a place in TBOWA 6th Form to any student who fails to obtain a grade 4 or above in their GCSE English Language or Literature and/or Mathematics.

Rewards and Sanctions

Rewards

The Academy believes strongly that positive reinforcement of *outstanding* behaviour, work, academic progress, attendance and community contributions, both on and off the Academy site, should be suitably acknowledged. It is important to regularly acknowledge the progress of our students and to celebrate their success. Rewards may include:

- Verbal praise
- Positive phone calls/emails home
- Celebration assemblies
- Positions of responsibility

Please let us know if your son or daughter has done anything outside of the Academy that you think we ought to know about so that we can celebrate their success too.

Sanctions

It will be rare for us to use sanctions with 6th Form students. We expect students to behave co-operatively and to take responsibility for managing their own learning as they mature into young adults. We expect parents and students to sign a 6th Form Student Learning Contract in September to highlight these expectations. However, if necessary, we will:

- Contact student's parents
- Remove off-site and other 6th Form privileges
- Action supervised study sessions in the 6th Form study area

All sanctions will be logged and a copy kept in the student's file which may be referred to when a reference is requested.

Actions and sanctions for poor attendance and/or punctuality are outlined in the Student Attendance and Punctuality Process on the next page.

TBOWA 6 th Form		
Student Attendance and Punctuality Process

Beyond the Classroom

To complement their studies, 6th Formers will also engage in a range of opportunities to develop other skills and interests outside their academic studies. These sessions are a part of the post-16 offer at TBOWA and as such are compulsory for **ALL** students to attend.

With freedom comes responsibility and 6th Formers will be invited to take an active Leadership role and keen interest in the wider life of the Academy, leading others and making decisions which will influence Academy life.

Whether the plan is to go on to university or enter the world of work, these experiences will equip students with the 21st century skills of teamwork, communication, creative thinking, innovation and entrepreneurship much needed in our rapidly changing and competitive world of employment.

Extended Project Qualification (EPQ)

EPQ is a Level 3 qualification which aims to develop enthusiasm, independence, research skills, evaluation skills and management skills such as project planning, decision making, record keeping and presenting. Students must choose a topic, plan, research and develop their idea and decide on their finished product (written report, production or artefact). It provides an opportunity for students to extend their abilities beyond the A Level syllabus, stand out and prepare for university or their future career. It can also be used to earn extra UCAS points.

Work Experience

Students will be encouraged to partake in voluntary work experience throughout their time in 6th Form to support their future career aspirations. In addition, there is a compulsory one-week work experience window at the end of the academic year.

6th Form Student Leadership Group

There is a 6th Form Student Leadership Group, which represents the views of the 6th Form students. Their brief is to organise social events, to support national charity events such as Children in Need, YMCA 'Sleep Easy' and to generally raise the profile of 6th Form in the Academy and the wider community.

SLG aims:

- To be a voice and an ear for all 6th Form students
- To lead on fundraising activities for other charities throughout the school year
- To have a high profile within the Academy and within the local community

Higher Education and Careers Advice

Careers advice and guidance is on-going throughout the 6th Form. Our comprehensive programme of careers advice and guidance will ensure students are best prepared for life beyond the Academy. Appointments for individual careers interviews can be made with the Careers team. All students are issued with a login for Unifrog to access Apprenticeship, university and further courses to support aspirations.

UCAS Tariff/Point System

UCAS is an independent charity providing information, advice, and admissions services to inspire and facilitate educational progression. The service supports young people making choices after their GCSEs, as well as those applying for undergraduate and postgraduate courses. www.ucas.com

16-19 Bursary Information

TBOWA 2025-26 Bursary Information will be shared with students and parents in September once approved by the school governing body.

See <https://www.gov.uk/1619-bursary-fund> for more information:

You could get a bursary to help with education-related costs if you're aged 16 to 19 and:

- Studying at a publicly funded school or college in England – not a university

There are 2 types of 16 to 19 bursary:

- A bursary for students in vulnerable group
- A discretionary bursary

Bursary for students in vulnerable groups

You may be able to get a bursary if at least one of the following applies:

- You're in or you recently left local authority care
- You get Income Support or Universal Credit because you're financially supporting yourself
- You get Disability Living Allowance (DLA) in your name and either Employment and Support Allowance (ESA) or Universal Credit
- You get Personal Independence Payment (PIP) in your name and either ESA or Universal Credit

The amount you may get depends on the costs you have and what you need for your course. This might include money for books and equipment.

Discretionary bursary

Your school or college will have their own criteria for discretionary bursaries. They'll look at your individual circumstances – this usually includes your family income.
