Dear Parents/Carers

You'll be aware that the weather is going to be exceptionally hot this week. Therefore, to keep students safe, we will be making the following uniform adjustments from Tuesday 23rd June until Friday 26 June, when they will then be reviewed.

Hot weather adjustments and reminders from Tuesday 23rd June until Friday 26 June for students

Students may choose from the following options:

- *Standard uniform: students may continue to wear their usual school uniform. However, blazers and ties will not be required and do not need to be brought into school.*
- *PE kit: students may choose to wear their TBOWA PE kit (TBOWA PE top and bottoms – loose fitted black shorts, no branding or lycra, with sport trainers).*

Please note that if students attend in the wrong uniform, they will be sent to the RESET until correct uniform is sourced.

Students should also apply sun cream before they arrive in the morning and bring a water bottle to school. There will be extra water stations available at break and lunch for bottles to be refilled.

We are not expecting students to wear blazers or ties today in and around the academy.

Please contact your child's Mentor if you have any questions and thank you for your continued support.

Kind regards

Simmons Lewendon
Deputy Vice Principal
