

September 2018

Dear Parent/Carer

As part of our Careers Advice & Guidance programme we endeavour to offer a wide range of opportunities and experiences that allow students to research pathways open to them after their GCSEs.

We are delighted to be working with The Southern Universities Network (SUN) and The Careers and Enterprise Company (CEC) to increase the number of young people accessing apprenticeships and to support young people to have access to effective employer encounters.

To support this, we are delighted to be able to offer our students the opportunity to attend **The Careers and Apprenticeship Show**, which is being held on **Wednesday 26th September 2018** at the **Bournemouth International Centre**. This event is the first ever Dorset wide event which seeks to link employers with students and parents, to showcase career and apprenticeship opportunities. Students will have the opportunity to learn how to apply for an apprenticeship, talk to employers and investigate what levels of apprenticeships are offered by businesses.

Students should arrive at the Academy in uniform for morning registration as normal. Transport will be provided to the BIC at allocated times from 11.45am. They will be at the event for two hours, after which time they will be dismissed from the BIC. Transport back to the Academy will **not** be provided and students will need to make their own arrangements home. Students will be dismissed at the following times:

- Year 10 2.00pm
- Year 11 2.45pm
- 6th Form 3.00pm

Students can bring a packed lunch to eat before the event, or may wish to bring money to purchase food and drinks are available at the event. Parents are also able attend this event from 4.30pm.

Our transport to this event is partially funded by SUN and the remainder will be subsidised by the Academy.

I would be grateful if you could complete and return the attached reply slip giving permission for your child to attend the event.

Yours faithfully
